

Dear IAC Members

The Annual IAC Conference, in partnership with *Continuando a Crescere*, is being held in Verona, Italy September 3rd-6th. An annual feature of the conference is an ethics round table, which is comprised of leading counselling Ethicists from around the world. The topic being discussed this year is “Counselling Boundaries”; how this gets defined; and, boundary issues that are prevalent in the various countries around the world.

During this conference, we plan to have a video link available to members who are unable to attend. Because we are using a video link that allows up to 100 participants, if you are interested let me know, and I will send you the information you need to join the Round Table presentation and discussion via this video connection. The link allows you to access the conference from your computer browser and is very easy to access. The date for the Ethics Round Table in Verona is September 4th, 2015; and, the time for is 09:00 a.m. -11:00 p.m. (GMT/UTC) [participants will be asked to join the Round Table 10-15 minutes prior to the start time]. You will need to adjust this time (and date in some instances) to your country time zone. Because this is an interactive Round Table, you may also be able to make comments or ask questions during this time.

Please let me know by email <ron.lehr@acadiau.ca> if you will be joining us via the video link. I will send you the required information to join us on September 1st. I look forward to getting your immediate response to this invitation.

Cheers,
Ron
